Terms and Conditions of Sale

Limited warranty: Products manufactured by AMK Innovations are warranted to the original purchaser to be free from defects in material and workmanship. This warranty shall be in effect for a period of one year for amplified speakers and DS series beginning with date of purchase. This warranty is null and void for any products which have defects caused by improper use, storage or installation. Retain original invoice as proof of purchase. Any products returned under warranty must follow our return policy indicated below.

Return policy: AMK Innovations will not accept any returned merchandise without prior authorization. Any product returned to AMK Innovations without prior authorization will be placed in the hands of the carrier at the expense of the shipper. Product will be authorized for return for the following reasons:
• Claims covered under our limited warranty.
• Errors in shipment created by AMK Innovations.
• Any other returns as may be approved by AMK Innovations will be subject to a 35% restocking charge, since most of the products are made to order.   All returns should be properly packed and labeled with shipping prepaid.

Orders: All purchase orders can be placed via email, orders@amkspeakers.com

Specials and custom designs: All orders for non-standard product, built specifically to customer specification or for special needs, are non-cancelable and non-returnable (except for warranty claims).

Loss or damage in transit: It is the purchaser's responsibility to carefully inspect shipments upon arrival. If a damage is found, make a notation to that effect on the copies of the freight bill. When damage is found after the carrier has delivered, immediately notify the carrier (this must be done within 15 days of the delivery date). Hold all product and cartons and request the carrier inspect the damage. A written claim must be filed within 9 months of the delivery date. AMK is not responsible for and will not accept return of any material damaged in transit.

Terms: 2% 10 days, NET 30. 2% prompt pay discount applies to product only and does not apply to orders paid with a credit card.

Discounts: Indicated prices are net to our dealers with NET30. No other discounts are available. Models may not be mixed to obtain direct net quantity discounts except where noted.

Delays in shipment: AMK Innovations makes every effort to inventory product to cover customer needs. We cannot be held responsible for delays in shipment caused by supplier problems, shortages of material, sabotage, work stoppages, transportation delays, adverse weather conditions and other conditions beyond our control.

Where to send inquiries: The inquiries and special quotations can be sent to Email: sales@amkspeaker.com

Credit card orders: AMK accepts Visa, Master, and American Express.

Open credit accounts: All open credit accounts must first be approved by the credit department of AMK Innovations, Inc.

The terms are conditions are subject to change at anytime.

Self Amplified Speaker Model Number Suffixes:

PSA615 – 6.5" Coaxial speaker (Single, Powered)

QSA615 – 6.5" Coaxial speaker (Set of 4 speakers, 1 self-amplified with 3 companion spkrs)

PSA802 – 8" Coaxial speaker (Single, Powered)

QSA802 – 8" Coaxial speaker (Set of 4 speakers, 1 self-amplified with 3 companion spkrs)

"**-RVC**" at the end or before –P means it comes with the remote volume control.

"**-P**" at the end of the model numbers means it comes as a pair, 1 self-amplified with 1 companion speaker

Model Suffix	Power Supply	Input Connection	Audio Signal Input
SM	A	Two RCA phono jacks	Stereo to Mono unbalanced
OM	A	One RCA phono jack	One unbalanced input
RPS	B	Two RCA phono jacks	Stereo to Mono unbalanced
RPM	B	One RCA phono jack	One unbalanced input
MD	B	One 3.5mm stereo mini plug	Unbalanced stereo combined into mono
MD-2	B	Two 3.5mm stereo mini plugs	Unbalanced stereo combined into mono
JFS	A	3.81mm four position phoenix type connector	Stereo to mono unbalanced
JFM	A	3.81mm three position phoenix type connector	One balanced input
CFS	B	3.81mm four position phoenix type connector	Stereo to mono unbalanced
CFM	B	(1) 3.81mm three position phoenix type connector	One balanced input
CFM-2	B	(2) 3.81mm three position phoenix type connectors	**Two** balanced inputs
CFM-3	B	(3) 3.81mm three position phoenix type connectors	**Three** balanced inputs
CFM-4	B	(4) 3.81mm three position phoenix type connectors	**Four** balanced inputs

A: External 12V 1.5A power supply with 2.5mm N Jack input Molded in line power supply type
B: External 12V 1.5A power supply with 3.81mm two position phoenix type connector input, wall wart, screw mount type.

Ex: **PSA615-CFM-RVC-P**

QSA would mean set of 4 speakers, PSA is single or pair of speaker set.

Type of a speaker, 615 is 6.5" and 802 is 8" speaker.

Type of audio connection described above

Option of remote volume control.

For PSA models only, option of a companion speaker.

PSA615 Series

Self amplified coaxial ceiling speaker assemblies (Priced in single units and sets)
