Page 46 Receiving Freight

All shipments should be opened, counted and inspected for damage prior to signing the delivery receipt. If the box appears damaged or an item is missing, note it on the delivery receipt, if the unit has visible damage the shipment should be refused. If the damage is fairly minor and you wish to keep the unit note any damage on the delivery receipt, failure to note damages or shortages at the time of delivery means you are accepting the product as complete and in good condition and releases Audio Visual Furniture International Inc. (formerly VFI) from all liability.

Noted Damages

Damages that are noted on the delivery receipt or shipments that are refused due to visible damage must be reported to us immediately. We will either repair the unit if possible when it is returned to us, or send you a replacement and file a damage claim with the carrier. If the damaged unit is kept please retain all packaging for possible inspection by the freight carrier. Digital photos of the products in question will aid the investigation. Photos should be of entire product and additional photos of damage only

Concealed Damage

Damage that is discovered after the carrier has left is concealed damage; all concealed damage must be reported within 5 (five) days. Freight charges will apply to concealed damage replacements. Please retain all packaging in case an inspection of the damage is required by the carrier. Digital photos of the products in question will aid the investigation. Photos should be of entire product and additional photos of damage only

Returns

Items may be returned to us in new/unused condition and original packaging within 30 days (a 20% restocking fee will apply).

An RMA number must be requested and all freight must be prepaid by the customer. Once received back at our facility and inspected a credit note will be issued providing no damage has taken place.

FREIGHT CHARGES (ALASKA & HAWAII)

For freight charges to Alaska & Hawaii, please contact us at logistics@vegroup.net or call 1-866-405-0655 ext. 224.

IT IS IMPORTANT TO DO THE FOLLOWING WHEN RECEIVING PRODUCT:

- 1 - Inspect all cartons for visible damage and count the number of pieces received.
- 2 - Note any damage or discrepancies on the carriers delivery receipt.
- 3 - All concealed damage must be reported within 5 days of receipt.
- 4 - Take digital pictures of the damaged product and the shipping carton.
- 5 - If claims are made, do not throw away the packaging, skid or product.
